What is a "Giving Stream?"

There are three areas of ministry that are a priority for us as a movement – we call them "Giving Streams." If every local church does their part we will be able to collectively expand our kingdom influence. Below are the three ministry areas we focus on:

Global Ministries — By donating to this Giving Stream you join local churches and Canadian missionaries, who through these ministry priorities – *Building Indigenous Leaders, Unreached People Groups and Global Stewardship* – are vitally involved in helping us reach beyond our own borders to touch the world.

Church Planting — By partnering with new church plants we are making it possible for the gospel to spread in Canada in over 13 different languages. Please remember all those who are considering and questioning what God's plan is for them in His mission in Canada.

Leadership Development. — The Leadership Scholarship Plan makes grants available to students who are pursuing ministry with The Free Methodist Church in Canada. Your continued giving will ensure that new leaders will be well equipped for ministry.

2 Corinthians 8:13-14 — "Our desire is not that others might be relieved while you are hard pressed, but that there might be equality. At the present time your plenty will supply what they need, so that in turn their plenty will supply what you need. The goal is equality ..."

with Rev. Sok Em and Savy in Cambodia

Tahas Bible Institute was co-founded by Rev. Sok Em in Kampong Chhnang to provide basic pastoral training especially for leaders who serve as lay pastors in congregations. With the explosion of Christian congregations throughout Cambodia, there are very few fully trained pastors.

Tahas Bible Institute, an interdenominational program, is a needed resource as they provide theological and skills training by means of eight, two week study modules over a two-year period.

Giving to the Global Ministries Stream provides ongoing support to Rev. Sok Em and Savy, and the Tahas Bible Institute.

Donate through YOUR church and indicate that you would like to contribute to "Global Ministries" and specifically to "Rev. Sok Em and Savy".

WHAT DOES YOUR CHURCH PLANTING GIVING STREAMS MONEY ACTUALLY DO?

A TALE OF TWO CHURCH PLANTS ...

Saskatoon - Riversdale Neighbours Church needed your help. Darryl and his wife Vonda had been working in the neighbourhood for well over a year. Unlike other church planters they were new to the city and did not have an existing social network. That made establishing a core group very tricky. Your Church Planting Giving Streams money enabled them to offer public events that have helped them gather a core group that will help them establish their church.

Quebec City - Pastor Pierre Sanambe and his family have been church planting in Quebec City for over four years. Your Church Planting Giving Streams money has played an important role in their work. Your financial partnership has helped them establish themselves in one of the most unreached areas in Canada. By partnering with local church plants we are making it possible for the gospel to spread in Canada in over 13 different languages.

How you can pray

Please remember all those who are considering and questioning what God's plan is for them in His mission in Canada.
