

# WESLEY ACRES RETREAT CENTRE & CAMPGROUND

*Where Families Gather*

Wesley Acres has celebrated 40 years of camping ministry in Ontario's Prince Edward County. Nestled in 250 acres of prime waterfront property and surrounded by quiet trails, gentle wildlife and the world famous Sandbanks, Wesley Acres will make you feel as though you're far away from the bustle of the city but part of everything Wesley Acres has to offer.

This summer, Wesley Acres will launch **SUMMER AT THE ACRES** which will include eight weeks of family-oriented activities and events. Eight gifted leaders will speak on 'Being Christian in 2017'. Our Youth Development Program will provide our summer staff with leadership training which will be integral in our high-quality programs for children and teens. Camps for kids and teens will include day and overnight camp over eight weeks from July 1 to August 25. Any week you come will be a wonderful week your whole family will enjoy. **SUMMER AT THE ACRES** will not be so intense that you go home tired. It will offer options for the family with a clear, fresh look at following Jesus today. We are planning for that person or family who has never enjoyed such a week. The price, the timing, the tone and the culture will say WELCOME!

Wesley Acres Retreat Centre and Campground has been a place of renewal, relaxation and recreation for over 40 years, and it continues to invest in the lives of our guests. Spiritual truths and a strong Christian community are of utmost importance. Our staff and volunteers are ready to serve and care for you and your family. Come and enjoy! We're waiting for you!
